BG Photography Regulations require anyone organising a gymnastic event to regulate the taking of photographs and apply, as a minimum, the BG Conditions for Photography at Gymnastic Events, (see Appendix 1 in BG Photography Regulations). If the event organiser/welfare officer (or authorised representative of the event organiser/welfare officer) suspects inappropriate photography or filming, the officer/organiser should exercise his/her powers under the conditions to request the person to leave the venue and to surrender any film and/or delete any images relating to the event. Any person present at an event who has concerns about images being taken, by any person, should bring them to the attention of the competition organiser or other designated person.
